Dear Colleagues of The Haitian Pediatric Society:

Your colleagues from The International Pediatric Association are very much saddened by the terrible tragedy of the earthquake which struck you yesterday. Our hearts are with you at this difficult time. Please tell us how we can best be helpful to you and your colleagues. When you have time to communicate, please let us know how you and your pediatric colleagues are doing and what has happened to your hospitals and health care facilities. We do hope that you and your families are safe and well after this disaster.

Please know that we are thinking of you, and worrying about you.. We admire your Pediatric Society, and greatly value you as a member of our IPA family.

With concern, and with our prayers and all of our best wishes, from your colleagues at IPA.

Jane Schaller  
Executive Director

Sergio Cabral  
President – Elect

Chok-wan Chan  
President
